'Achieving through Challenge'

Dear Parents/Guardians,

On Monday 14 January at 6.00pm the Year 9 Options Evening will take place. The aim of the evening is to ensure that all students in Year 9 have an opportunity to find out about all the different subjects on offer and to understand how to make their choices.

This is an important evening and we are expecting the majority of Year 9 families to attend. Please be aware that parking off site may have to be considered. We will also be asking families to sign in on arrival.

In order to accommodate everyone safely we will hold two talks in Kernewek Hall. The first talk will be for students in Arwenack and Gluvias and will start promptly at 6.00pm. The second will start at 6.45pm and will be for students in Killigrew and Pendennis. Staff will also be available throughout the evening in the Street and the TIA from 6.00pm to meet and talk with families about their subjects and answer any specific questions.

We will also be holding one final talk in Kernewek Hall at 7.20pm for 10 mins. The content of this will cover the importance of the English Baccalaureate, otherwise known as the 'Ebacc'. This talk is open to anyone who would like to attend.

This year the Options booklet will be electronically available via the students' iPads from Friday 11 January and this document will also be sent to you via the weekly email.

The Options process will be an online version this year. Instructions on how to register and complete the online form will be discussed on the evening and this process will be available from Wednesday 16 January.

We look forward to seeing you all at the start of this exciting process for Year 9s.

Yours sincerely,

James Lushington  
Assistant Headteacher
