"Achieving through Challenge"

April 2017

Dear Parent/Carer(s)

The 2017 leaver's yearbook is nearing completion and orders are ready to be taken. The yearbook has been developed by pupils for pupils and is a wonderful memento for pupils to look back on their experience at Penryn College.

Please could you confirm that you are happy for your child to appear in the yearbook by completing the consent form below and returning it to Miss L Richardson at the college.

The cost of the year book is £11 and payments must be made by 25th May using the ParentPay facility. This is a strict deadline as the yearbook will be sent off to print on this date. For those who have not registered an account on ParentPay, this can be done in a matter of minutes. Please email finance@penryn-college.cornwall.sch.uk or business@penryn-college.cornwall.sch.uk and login details will be sent to you. Unfortunately we are unable to accept cash payments so please use the ParentPay facility.

Yearbooks will then be able to be collected on the last day of term.

Please note that taking part in the yearbook is optional and while a list of all Year 11 students will appear in the book, only those who have signed up on the yearbook.com site will have a profile. Please check with your child to confirm they are in the yearbook before you make your purchase.

Yours faithfully

Laura Richardson
