College

"Achieving through Challenge"

November 2018

Dear Parent/Guardian(s)

At Penryn College we try to provide the best teaching and learning opportunities for your child.

In order to help us gain insight into your child's potential and identify where support is needed, later this month we will be asking all Year 7s to complete a nationally recognised aptitude assessment known as the MidYIS (Middle Years Information System). Your child **will not need to revise** for the test and the results will **not** be published; the information received from the results is used by the college staff to provide and support the best possible pathway for your child. The assessment can also give us a reliable indicator of future achievement in school.

The one-hour on-line assessment will be held during your child's Lifestyle lesson; please refer to the timetable on the reverse of this letter. Normal examination conditions will apply, so please note that **mobile phones or other electronic devices will NOT be allowed**.

Should you have any questions please do not hesitate to contact the Exams Office at the college on 01326 372379, ext. 1231.

Yours faithfully

Kirstie Oliver  
Assistant Headteacher

**Headteacher:** Paul Walker
