

Year 10 Unit 2: Love + Relationships Poetry Assessment: Literature 2

Why this? The summer term in Year 9 concludes with the start of our GCSE journey: an Anthology of 'Love and Relationships Poetry', which further develops the familiar themes in KS3: changing relationships, family and power.

Why now? These 15 GCSE poems build upon the poetry satellite texts studied at KS3. Through studying them, we will develop the interpretive and analytical skills which are needed throughout the GCSE course.
