

PENRYN COLLEGE

ADMISSIONS POLICY 2015/16

1. Introduction

The Academy Trust (Governing Body) of Penryn College is the admitting authority for the College.

Penryn College is an 11-16 mixed Academy serving the needs of the young people of Penryn and the surrounding area. The College works very closely with its partner primary schools and aims to provide a seamless education from the age of 3 to 16. We collaborate closely with our primary schools in aspects of curriculum development, staff training and, in particular, educational philosophy. There is no guarantee of a place for children attending one of the primary feeder schools.

The main principle of admission to Penryn College is to maintain the character of the College as a comprehensive school, providing for the needs of young people within the 11-16 age range, who live in Penryn and the surrounding areas, provided that they can be accommodated within the agreed admission limits. We are an inclusive school and welcome all applications. Our uniform policy is intended to encourage a professional appearance and a pride in the College. We have tried to keep this at a reasonable cost while maintaining a high level of conformity. The policy also recognises health and safety requirements.

Admission to our College is not dependent on any 'voluntary' contribution and we have a full range of extra-curricular activities available for all students. We have an extensive programme of visits for which a charge is made but we are ALWAYS pleased to discuss any concerns you may have.

The College will endeavour to provide places for students who live within our designated area and whose parents wish them to attend Penryn College provided that they can be accommodated within the agreed admission limits.

This policy is written with full adherence to and in accordance with the School Admissions Code (updated by the DfE in October 2012). All statutory obligations defined within this code apply, including the operation of an equal preference scheme. For more information on "How places will be allocated" and transfers to secondary school please visit the Cornwall Council website www.cornwall.gov.uk and select the Education and Learning option.

Students will be admitted to Year 7 without reference to ability or aptitude using the procedures detailed in this document, which includes arrangements and criteria that will be applied in the event of oversubscription. The number intended to admit in September 2015 will be 210.

The College participates in the Local Authority co-ordinated scheme and applicants should adhere to all deadlines within that. All applications for places in Year 7 must be made on the (Cornwall Admissions) Common Application Form (also available on the Cornwall Council website). There is no additional application form or information required by the Governors of Penryn College.

Children with a Statement of Special Educational Needs (SEN) which names Penryn College will be admitted to the College.

2. Over subscription

In the event of there being more than 210 applications for places, after the admission of pupils with a SEN naming Penryn College, the following admission criteria will be used (in descending order of priority) to allocate places:

- (1) Children in Care
Children in care are also referred to as 'looked after children' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). (See note 1)
- (2) Children who live in the designated area of Penryn College, or whose parents can provide evidence that they will be living in the designated area of the preferred school by the beginning of the autumn term of the 2015/2016 school year.

If there are more designated area children wanting places at the school than there are places available, criteria 3 to 6 will be used to decide which of these children should have priority for admission. If there are still places available after all the designated area children have been allocated places, criteria 3 to 6 will be used to decide which of the remaining children should have priority for any spare places.

- (3) Children with an unequivocal professional recommendation from a doctor, school medical officer, educational psychologist, health visitor, education welfare officer or social worker that non-placement at Penryn College would cause harm to the child and that placement at the school is essential. **Such recommendations must be made in writing and must give full supporting reasons.** *(If you think your child meets this criterion, you must send the relevant written evidence to Cornwall Council, School Admissions Team, East O, County Hall, Truro TR1 3AY).*
- (4) Children with a sibling attending Penryn College at the time of application *and who will still have a sibling attending the academy at the proposed date of admission.* Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, step brothers or sisters and foster brothers and sisters.
- (5) Children who were on roll of a primary school (at the end of the summer term) whose designated area is contained within or forms part of the designated area of the preferred secondary school. **(This applies to Year 7 applications only)**
- (6) All other children.

3. Proof of residence

In the event of any discrepancy regarding the child's place of residence, the College may require proof of residence. The College reserves the right to withdraw the offer of a place should it become apparent that such proof of residence is unsubstantiated. The parent retains the right to appeal against this decision following the College's appeal procedure.

Please note that when parents live separately, the address used should be the address that the child usually lives at and attends school from. If the child lives equally with both parents at different addresses then it is the parents' responsibility to make this clear on the application form. If they cannot agree, then the Governors will use the address of the parent who is claiming the Child Benefit Allowance. Parents may be asked to provide acceptable proof that this is the case. The home address of a relative/carer other than a parent may be used if it can be demonstrated that the child normally spends most of the school week with that relative/carer. However, this will only be acceptable with the explicit agreement of the LA.

4. Tie-breaker

If any of the criteria outlined above leave more children with an equal claim than places available, the following tie-breakers will be used:

In the event of two or more students having equal priority for a place at the College then distance from the home address front gate to the nearest entrance gate to the College, measured 'as the crow flies' using 'dataMap' or an equivalent piece of software designed to measure accurately distances between two addresses will be used as a tie-breaker

- (i) Where two or more children fulfil the same criterion, priority will be given in the first instance to those children for whom Penryn College is the nearest designated school;
- (ii) **Final tie-breaker.** Should the tie-breaker above still leave children with an equal claim because distances are exactly the same, random allocation (in accordance with 1.34 and 1.35 of the School Admissions Code) will be used to decide on priority.

Distances

Home to school distances used for tie-breaking will be measured by a straight-line measurement as determined by CAPITA One and supported by the CSA's Geographical Information System (dataMap). Measurements will be between your home address using Ordnance Survey's Point Dataset (usually the centre of the main building of the property) and the main gate of the school (as determined by the CSA).

Distances used to determine nearest school with room (i.e. where it is not possible to offer a place at a preferred school) and for establishing transport entitlements will be measured by the nearest available route as determined by the CSA's Geographical Information System (dataMap).

5. Multiple birth siblings

Where applications are received on behalf of 'multiple birth siblings' (i.e. twins, triplets, etc) or siblings whose dates of birth place them in the same chronological year group, every effort will be made to offer places at the same school, which may mean allocating places above the Published Admission Number (PAN) where that is possible. However, where this is not possible, parents will be invited to decide which of the children should be allocated the available place(s).

6. Admission outside the normal age group

Although most children will be admitted to the College with their own age group, from time to time parents seek places outside their normal age group for gifted and talented children or those who have experienced problems or missed part of the year, often due to ill health. While it would not normally be appropriate for a child to be placed in a year group that is not concurrent with their chronological age, the College will consider these requests carefully, and will make a decision based on the particular circumstances of each case.

7. Admissions outside the coordinated scheme

At the time of adopting this policy it is not yet confirmed who will be responsible for coordinating the In-Year Admissions process. The information will be available from the Cornwall Council website.

Before you apply, please read the guidance which accompanies the application form. This can be found on the Cornwall Council website here:

<http://www.cornwall.gov.uk/default.aspx?page=35038>

In the event of a place being available in the appropriate year group an offer of a place at the College will be made. If no places are available the child will be refused a place at the College.

Parents of children who are refused a place at the College will be notified of their right of appeal and will receive advice from the Local Authority regarding alternative schools.

8. Late Applications

Late applications are those applications for Year 7 which are submitted after the closing date of the coordinated admissions scheme and they will be dealt with in accordance with that scheme.

9. Waiting List

If, after the offer of places has been made, the College is over-subscribed, all parents whose applications have been unsuccessful will be asked whether they wish to be placed on a waiting list. This waiting list will be administered by the Governors of the College in partnership with the Local Authority for the duration of one term in the year of admission. A child's position on this waiting list will be determined by the College's published over-subscription criteria. However, children who are the subject of a direction by the Local Authority, who are subject to a successful admissions appeal or who are allocated to the school in accordance with the Fair Access Protocol, will take precedence over any child already on the waiting list. Waiting lists will be maintained for all over-subscribed year groups.

10. Appeals

Penryn College will deal with all appeals for admissions relating to 2015/16. You can contact the College on 01326 372379, by email – secretary@penryn-college.cornwall.sch.uk or by post - Appeals, Penryn College, Kernick Road, Penryn TR10 8PZ

Notes

Note 1: A supporting statement from the Local Authority, Social Worker or Foster Carer will be required.

Note 2: For the purposes of admission arrangements a sibling is defined as a full, half, step, adopted or long-term fostered child living at the same address. In the case of siblings living at a different address the siblings must be blood relatives, in other words share at least one parent. We do not include 'cousins' within our definition of siblings.
