## Achieving through challenge.

# Study Support

At Penryn College we believe that classroom based learning is just one part of the education process. In striving to develop the potential of individuals to the full we believe we have much more to offer.

We want to offer a Study Support programme that provides fundamental academic support. A programme that can extend opportunities, broaden experiences and enrich the lives of our young people to enable them to become fully immersed in their learning before, during and after the school day.

In order to meet this vision we have worked hard to provide a programme of activities that we feel provide students with a chance to enrich their experience at Penryn, while also continuing to pursue work encountered within the normal school timetable.

It is our aim to provide a broad and well-rounded programme that prepares pupils not only for academic success but also to live life to the full as a confident and independent member of the school community.

We will provide a termly booklet that lists all the activities that are available. We hope that as students it excites you and gives you the best opportunity to learn and expand your boundaries while part of both Penryn College and our special community. The booklet can also be accessed online via the College website - [www.penryn-college.cornwall.sch.uk](http://www.penryn-college.cornwall.sch.uk)

Finally, please enquire about the extension of this programme in the form of our Schools Open Saturday and Holiday Activity programmes. All of these support the activities in this booklet and strengthen the links created with our extensive primary pathways.

# Core Advanced Extra

## How much does it cost?

At Penryn College we do everything we can to offer our Study Support Programme using the resources we have in school to enable us to deliver to the students at no cost. These are considered our **Core (C)** offering.

However, this isn't always possible and sometimes we have to pay external or expert deliverers who enable us to provide high quality, tailored sessions. These activities are considered our **Advanced (A)** offering and will cost each student a nominal £2 per session. *We intend to enable parents to pay via ParentPay in the near future.*

Finally is our **Extra (E)** offering, which includes any activities that take place off site or are delivered by external companies. The cost for these will depend on the activity and students will be informed of these on registering their interest.

Each activity in the booklet has been assigned to one of the categories above. These can be seen under the 'Offer' section of each listing.

*Please Note: No child will be penalised on the basis of genuine financial hardship. Please contact Mr Ash if you wish to make a confidential application for financial assistance.*

## How do I take part?

Check out the table to make sure the club is intended for you, then simply attend on the day listed, at the venue suggested. Some clubs are invite only - if you would like to take part in these, speak to the teacher in charge.

## Be organised!

We encourage our students to take part in as many, and as varied, activities as possible. Try and plan a weekly diary of activities you would like to take part in and make sure you organise how you will get back home when each one finishes.

## My favourite activity isn't in here?

If there is something you would like to try that isn't listed in this booklet, then please come and see Mr Ash in the PE office to have a chat about setting something up.

## Penryn College Sports Expectations

Our members of staff are very experienced and therefore regularly advise students to wear the correct pieces of equipment as advised by individual NGB's. We have noted that some pupils might ignore this advice and we would welcome your support in reinforcing the kit advice listed below with your son/daughter.

If a child forgets to bring their gum shield and/or shin pads and they are concerned about the safety implications then they should talk to the member of staff responsible for that session. It may be possible to borrow some shin pads and the school does keep temporary gum shields which can be moulded quickly in an emergency.

### As Penryn College players we will:

- Ensure we have ticked our names on the team sheet and taken note of depart **and** return details
  - Always catch up on any work missed through fixtures in lesson times
- Wear the correct kit for both training sessions and fixtures. This is the players responsibility.
  - For Football:** Shin Pads **MUST BE WORN AT ALL TIMES**
  - For Rugby:** Gum shields are **OPTIONAL**
  - For Hockey:** Gum shields are **OPTIONAL** / Shin Pads **MUST BE WORN AT ALL TIMES**
- Exhibit positive and sportsmanlike behaviour at all times, to our own team mates and officials
  - Inform our coach if we have **ANY** pre-existing, or new, injury that may affect us
    - Recognise and thank our opponents and officials after every match
  - Never use inappropriate language, whether directed at ourselves, another player or the referee
  - Behave with dignity and pride in all circumstances, win, lose or draw
- Always attend training and inform our coach should we **not be available**
