

## **French – Year 10**

### **Test target for Year 10 is:**

In Year 10 students complete 3 units of work. These units are modules 3-5 of the GCSE course. This is designed to give students a consolidation phase in the demands of the GCSE.

By the end of Year **10** in **French** we expect students to be able to have progressed significantly in the development of the '7 skills': listening, speaking, reading, writing, memorising, translating and applying grammatical rules
