

Biology (Triple award) Year 11

Test target for Year 11 is:

This year you will be completing work from units B6 – B7. Unit B6 is looking at DNA and how variation is created within organisms and the impact variation has on evolution. Unit B7 is about ecology and biodiversity.

		Working Towards Target	At Expected Target	Above Expected Target	Test grade
Unit B6	B6 Inheritance, variation and evolution				
WTM	Walking Talking Mock				
Overall unit performance					
FFL:	Meeting behaviour for learning standards	Actively engaged in the learning	Regularly complete HWK to a high standard	Completing CWK to a high standard	Is a resilient learner 'Doesn't give up easily'
Achieved:					

		Working Towards Target	At Expected Target	Above Expected Target	Test grade
Unit B7	B7 Ecology				
Mock exam	Biology paper 2				
Overall unit performance					
FFL:	Meeting behaviour for learning standards	Actively engaged in the learning	Regularly complete HWK to a high standard	Completing CWK to a high standard	Is a resilient learner 'Doesn't give up easily'
Achieved:					

Exam 2020	Date
Biology paper 1	12 th May
Chemistry paper 1	14 th May
Physics paper 1	20 th May
Biology paper 2	1 st June
Chemistry paper 2	10 th June
Physics paper 2	12 th June
