

Year 8 ArTextiles

By the end of Year 8 in **Art and Design** we expect students to be able to:

- Develop knowledge and understanding of art, craft and design, including African Art, Futurism and Baroque
- Experiment and develop skill with 3- D materials including clay and mod rock.
- Develop skill with observational drawing techniques, using a variety of different drawing materials including oil pastels, chalk, charcoal and tonal drawing pencils.
- Collaborate as part of a team to produce large scale art work.

		Working Towards Target	At Expected Target	Above Expected Target	End of unit grade
UNIT 1 African	AO1 Research				
	A02 Exploring and refining				
	A02 Skill with materials				
	AO4 Conclusion				
Overall unit performance					
FFL:	Meeting behaviour for learning standards	Actively engaged in the learning	Regularly complete HWK to a high standard	Completing CWK to a high standard	Is a resilient learner 'Doesn't give up easily'
Achieved:					

		Working Towards Target	At Expected Target	Above Expected Target	End of unit grade
UNIT 2 Kraken	AO1 Research				
	A02 Exploring and refining				
	A02 Skill with materials				
	AO4 Conclusion
