'Achieving through Challenge'

February 2020

Dear Parent/Carer(s)

**Year 10 GCSE Information Evening: how to ensure success and reduce stress
An evening for Year 10 students and their parents
Tuesday 3rd March 2020 – timings detailed below**

You are invited to attend our **GCSE Information Evening**. In 45 minutes we aim to offer you as much information as possible to help you and your child prepare for the important 16 months ahead.

We have prepared a personalised information pack for every student and their parent/carers to collect on this evening. It contains:

- Their up to date grades
- Revision techniques
- Revision resources

The first presentation will take place in Kernewek Hall at 5.00pm and this will be repeated at 6.00pm. Parents are welcome to attend either talk, depending on which time is most convenient for them.

Some parents will also be invited in on this evening to have an additional meeting with either their child's Head of House, the Attendance Team or the Careers Team, depending on the needs of the individual child. These parents will be receiving a phone call from the school to schedule an appointment and should attend both this and the presentation in Kernewek Hall. The Careers Team and post 16 providers will also be available on the night between 5.00pm and 7.00pm to answer any questions you may have.

We really hope to see you on 3rd March as this is a very important evening. We know that informed parents can be really supportive parents, helping us to do the best job we can for your child in this important year. We value you giving time to come and pick up the information we have put together for you.

If you have any further questions, please don't hesitate to contact me on 01326 372379.

Yours faithfully
