"Achieving through Challenge"

3rd July 2020

Dear Parent/Carer(s)

We are really excited to be able to launch our first (and hopefully last!) Virtual Activities Week. This will run from 13th-17th July, with over 75 activities for your child to take part in.

Next week, students will select their activities as part of their Lifestyle lessons. They need to choose their activities quickly, as the deadline is Wednesday 8th July. Students will be able to access the Activities booklet via Showbie, and will be asked to complete an online form to select their activities for the week. You will also be able to view this booklet on the website from Monday 6th July.

We have taken great care to ensure the activities are safe. Please review your child's choices, as you may feel that some activities will need parental supervision or guidance. To help identify this, our activities have been rated either U or PG, just like the movies. The U symbol stands for Universal and the activity should be suitable for all. The PG symbol stands for Parental Guidance, so the activity may need parental guidance or supervision to ensure the task is completed safely. Please ensure your child chooses activities that you are happy for them to complete, with your supervision if you feel this is appropriate. Although the activities are planned by the school as part of their Lifestyle lessons, students are unfortunately not covered by the school insurance, so please make sure you are happy with their choices.

We hope your son/daughter really enjoys the Activities Week. Staff are looking forward to working with students and seeing the outcomes of the activities they choose to participate in.

Yours faithfully

K Blackburn
