Apprenticeship Vacancies w/c 17th August 2020

(vacancies available to all age applicants, from age 16)

*** This Week's Featured Apprenticeship ***

Boatbuilding and Marine Engineering Apprenticeships

Cockwells Modern & Classic Boatbuilding Ltd

Location: Falmouth

Salary: n/k

Are you looking to start a career in boatbuilding? Cockwells Modern & Classic Boatbuilding Ltd. Are looking for enthusiastic individuals to join our highly skilled team of craftsmen and women. Cockwells enjoy an enviable reputation as a company in the forefront of designing and building the highest quality boats, motor launches and tenders. The Company cleverly integrates traditional boatbuilding skills with innovative engineering and modern techniques to build custom and semi-production vessels of the highest quality using both wood and composite materials. Following a major investment and redevelopment of their established base at Mylor Creek near Falmouth, Cockwells is looking forward to exciting times ahead, creating new opportunities and investing in the future of the Company and its workforce.

We are offering a fantastic opportunity to become an apprentice in either: Boatbuilding or Marine Engineering.

To apply visit <https://www.jobs.nhs.uk/xi/vacancy/916149570>**Engineering Apprenticeship**

TULIP Limited

Location: Redruth

Salary: Competitive

Apprentices are a huge part of the Tulip family. If you love great-quality food, we have highly-skilled people who are ready to share their knowledge with you so that you can kickstart your career. We are looking for talented individuals who want to pursue a career in Engineering. The learning part of this programme is aimed at providing bespoke training to become a dual skilled Maintenance Engineer within 4 years. Candidates will develop skills to enable them to provide technical support in response to breakdowns on process systems, plant and equipment, including good fault-finding techniques.

Our Engineering Apprenticeship programme is delivered by Birmingham Metropolitan College. You, along with the other Engineering Apprentices, will stay at the college three times year, for six weeks at a time. We call this 'block

learning'. We pay for all accommodation and travel expenses to ensure you are comfortable as possible when away from home. At the end of this programme you will have achieved a Level 3 in Food and Drink Engineering Maintenance.

We offer ongoing development opportunities for those individuals who are keen to progress and ambitious. Your learning doesn't stop when your apprenticeship ends. All Engineer Apprentices will begin in Autumn 2020 and there are opportunities available throughout the UK.
