*** This week's featured Apprenticeship ***

Mental Health Student Nursing Associate – Apprenticeship (multiple vacancies)

Cornwall Partnership NHS Foundation Trust (CFT)

Location: Countywide

Salary: £13,503 for 1st year, national minimum wage for age

Cornwall Partnership NHS Foundation Trust (CFT) is pleased to offer vacancies for student nursing associates within our mental health services across Cornwall and the Isles of Scilly.

This is a developmental role where you will work towards progression into the post of Nursing Associate through successful completion of the Nursing Associate training programme. This includes the attainment of a level 5 Foundation Degree equivalent qualification. You will develop and maintain knowledge, skills and competencies related to the role of Nursing Associate within the service and through completion of the Nursing Associate training programme which includes working in care settings and delivery of person-centred care. On qualifying you will be guaranteed a Band 4 position within our mental health workforce.

Closing date: 08 Jan 2021

Possible start date: n/a

Pharmacy Technician Apprenticeship

Kernow Health CIC

Location: Various/Multiple

Salary: £16,909 - £18,117 a year

Have you thought about a career in pharmacy? If so, a Pharmacy Technician Apprenticeship could be the start of your career. We have a new and exciting opportunity for you to train as a Pharmacy Technician working across a range of health and care settings in order to develop the knowledge, skills and behaviours required to become a registered Pharmacy Technician with the General Pharmaceutical Council (GPhC). You can be part of our first cohort of Pharmacy Technicians receiving a development programme hosted by all partners in health and care, to grow the pharmacy workforce.

You will undertake a BTEC Level 3 Diploma Pharmacy Technician Apprenticeship over a two-year period, which allows you to learn on the job with a programme of study and the support and guidance of a Clinical and

Educational Supervisor. As part of your training you will rotate around the various areas of pharmacy to enable you to build up the competencies required to complete your training and provide a comprehensive introduction to the different organisations providing pharmacy services.

Closing date: n/a but interviews scheduled for 17 Dec 2020

Possible start date: n/a

Apprentice Nursery Assistant

St Mary's Catholic Primary School

Location: Bodmin

Salary: £124.50/week

Our school is part of Plymouth CAST Multi-Academy Trust. Children can attend from the age of three up to year 6. Our nursery (for 3 and 4-year-old children) is very much part of our school and it provides a 'flying start' to the children's educational journey at St Mary's.

We are looking to take on an Apprentice Nursery Assistant to join our Early Years team within our Nursery that is part of our Catholic Primary School in the heart of the Bodmin area. We are looking for an apprentice who is passionate about working with children and is looking to complete either the Level 2 or Level 3 qualification.

To apply visit <https://www.findapprenticeship.service.gov.uk/apprenticeship/-559704>**Electronics Engineering Apprenticeship**

Logan Electronics

Location: Truro

Salary: £288/week

The position combines the requirement of both technical knowledge and practical skills with experience of working to recognised quality standards. You will work on a wide range of projects, ranging from prototyping to the production of established products, with support and training available throughout.

This is an electronics technician position for an individual with a desire to become an IPC qualified electronics technician. You will develop a thorough understanding of Logan Electronics policies, methods, and procedures to service the Aerospace, Industrial and Medical markets. During the course of the apprenticeship you will acquire the following skills:

- Shop floor assembly work including wire looming, cable assembly manufacture, coil winding and soldering
- Ability to read engineering drawings
- Setting up and operating automated production machinery, including the use of programming software
- Interact with clients to identify and resolve technical problems
- Communicate the status of the current project to appropriate members of the team to ensure the needs of the clients will be met
- Work as a team member within the group, but also to work autonomously some of the time
- Maintain ISO 9001 Quality System requirements relative to responsibilities after undergoing Quality System training

Learning Disabilities Support Workers (opportunity to undertake Apprenticeship in Health & Social Care)

HF Trust Ltd
 Location: Wadebridge, St Teath, St Austell
 Salary: £9.00 to £9.48 per hour

We are one of the largest learning disability charities in the UK, supporting over 2,500 people through our friendly, supportive, creative and diverse teams. We are seeking Support Workers to join us and support adults with learning disabilities to live the best life possible.

We recognise that the current pandemic means we have had to adapt to change and in many ways we are now doing things differently but what hasn't changed is our passion for standards and doing all we can to look after the people we support both in these current challenging times and in the future.

You don't need experience of support work or any special qualifications for this job - you'll get plenty of training along the way. Having the right values, a positive attitude to life and a desire to support people to live their life with as much independence, choice, dignity and control as possible is what matters most.

You will need to have good listening skills and a practical, caring approach. You also need to have basic level IT skills to be able to use a computer as you will regularly need to record information about people you will be supporting.

Apprentice Care Assistant

Care now Cornwall Home Care Ltd

Location: St Austell

Salary: £285/week

We are looking to take on an apprentice to assist in the provision of care and work as part of a team to achieve required standards. The successful candidate's role will involve ensuring Residents are treated with kindness, dignity, respect and compassion. To care for service users in their own homes this will include aspects of personal care as well as support with nutrition and mobility. Relevant training will be provided. Applicants must be willing to work shifts including mornings, afternoons, evenings and some weekends. Applicants must be able to drive.

Duties to include:

- Ensure that dignity, privacy and respect of the client's choice is maintained and provide the highest possible levels of care by supporting/assisting Residents, when required, with washing, toileting, dressing, undressing, eating and drinking and all other aspects of daily living.
- Assist Residents in all aspects of their care needs (e.g. physical, emotional and spiritual).
- Ensure appropriate person-centred care, support and treatment is given to the residents to meet their needs.
- Assisting the clients with keeping active
- Occasional helping with shopping
