"Achieving through Challenge"

September 2021

Dear Parent/Carer(s)

I hope you all had a lovely summer break. It has been lovely to welcome the students back into school.

At the beginning of each year, we like to give new parents/carers the opportunity to have a look around the school with their children so they can see for themselves the environment their child will be studying in. This is a very informal afternoon, and not compulsory, so no booking is required. We simply ask that you arrange to meet your child in the Amphitheatre at an agreed time on the date below between 3.30pm and 4.15pm. Your child can then take you on a tour of the school and show you where they are based for tutor and for their lessons, and where their designated break and lunchtime spaces are.

Due to the nature of the pandemic at this time last year, we are aware that many parents/carers of our new Year 8 cohort will not have had this opportunity, so we would also like to open up this offer to this year group too.

The two dates selected for these visits are as follows:

Year 7 parents/carers - Tuesday 14th September from 3.30pm - 4.30pm.

Year 8 parents/carers - Thursday 16th September from 3.30pm - 4.30pm.

Please note that if your child has a club on their allocated day, you can meet them at 4.45pm after their club has finished and have a tour afterwards. The school will be open to visitors until 5.30pm.

Please note this is not a parents' evening as these are scheduled later in the school year, but I am sure you will get the opportunity to say hello to many of the teachers at this time as they will be working in their classrooms. However, members of the Senior Leadership Team and the SEN team will be available in the Amphitheatre during if you have any questions or concerns you wish to raise. In the case of bad weather, you will be met at the Amphitheatre and directed to an indoor space to meet with your child.

Please can we ask, that due to Cornwall being a COVID 'Enhanced Response Area' that you wear face masks as you move around inside the building. These can be removed when you are walking around outside.

We look forward to meeting any interested parents/carers on one of these two dates, depending on the year group your child is in.

Yours faithfully

Mrs Tamsin Schouten
