

Unit Overview: Europe and holidays

7 SKILLS IN LEARNING A LANGUAGE

Listen: for details

Speak: pronounce words correctly

Read: French words and sentences

Write: French using connectives and opinions

Memorise: key words

Translate: from one language to another

Apply: grammar to make sentences

We will also work to develop our empathy, that is how we treat and react to other people.

We will use a range of games and puzzles in our learning to help us develop all of these skills.

WORLD STUDIES SKILLS

We will focus on these important cross-curricular skills

Independence: Can I work on my own and not give up?

Group work + Discussion: Can I listen to others and share ideas calmly?

Memorisation: How do I remember new things?

Note taking: Can I make notes to help me?

Precision + Accuracy: Am I good at paying attention to detail?

Reflection: Can I think of ways to improve in subjects?

Research: Can I use the internet effectively to find the information I need.
