

## **Get to Know Your Governor**

### **Profile**

Name: Karen Hunt

Role: Parent/ Governor

### **Particular areas of responsibility:**

SEND

### **Background Experience:**

I have two sons in the school, with one currently in the ARB, with a range of SEN challenges and one currently in Year 8 mainstream. Since they were in primary school, I have always helped out in the classroom with reading, swimming and many school trips.

### **Key Areas of Business Expertise, Experience and Qualifications:**

I enjoy helping out in the classroom, I went back to college and qualified as a Level 3 Teaching Assistant in 2021. This helps me have a better understanding on how the school works, with the curriculum etc.

### **Other Information:**

I was born at Treliske Hospital, grew up in Falmouth and have lived in Penryn for nearly 30 years. You will often find me on the sidelines at Penryn Rugby, where my youngest plays for the U14s. Often shouting encouragement, but also fixing the boys up as I am the team's first aider. Up until two years ago, I worked in the local supermarket and now work for Allen & Heath.

### **Karen Says:**

'I am very proud to be a Parent/Governor for Penryn College, it is a fantastic school with an amazing ARB and SEN provision, the staff are truly worth their weight in gold. I love the fact that the pupils can access mainstream lessons and be supported in all of their school life.'

### **Key Area of Interest as a Governor:**

As you can tell... SEND.
