"Achieving through Challenge"

22nd July 2022

Dear Parent/Carer(s)

It is with great excitement that I introduce myself as the new Headteacher of Penryn College from September 2022. I have been the Deputy Headteacher here for 19 years, so I am well versed in the life and work of Penryn College, and I absolutely love working here.

It has been an absolute privilege to serve the community of Penryn for so many years, and I am looking forward to leading Penryn College through its next stage of development.

Following our Ofsted visit in June 2022 - where we received wonderful feedback regarding both our students and staff - we have a very clear direction moving forwards. During the next academic year, one of my jobs will be to work with parents/carers to see how we can further improve our communication systems so there is easy, accessible two-way communication between staff and parents/carers, so you can be kept fully informed about your child's progress at all times.

If you have any trouble contacting the school, please feel free to e-mail me directly on [tschouten@penryn-college.cornwall.sch.uk](mailto:tschouten@penryn-college.cornwall.sch.uk). I will always aim to get back to you within the hour.

Have a wonderful summer break and take care.
