"Achieving through Challenge"

- **Log Book 1: Responding** – Currently being completed within lesson and homework. Deadline for completion is before half term.
- **Log Book 2: Development and Collaboration** – Will start after half term and needs submitting before the final performance in November.
- **Log Book 3: Analysis and Evaluation** – Will be completed following their performance and submitted the 12th December.

Although we will be covering this work in lesson, students need to be aware that this is their coursework and they need to take responsibility for completing the homework tasks and meeting the deadlines.

Please do not hesitate to contact if you have any questions.

Kind Regards
