## Unifrog – The Complete Destinations Platform

Dear Parent/Carer(s)

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, we will now be using Unifrog; an award-winning online careers platform. All students in Years 7-11 now have access to this excellent website.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as school leaver programmes and Massive Online Open Courses (MOOCs). This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English-taught undergraduate programmes available in Europe and the USA.

Additionally, the platform helps students successfully apply for these opportunities by writing their personal statements, applications, and CVs, whilst guiding them through the process, allowing teachers to give live feedback.

**Students access the tool for the first time using a sign-up code which is unique to their form group.** They then log in using their e-mail address and password, and they can do so from any computer, tablet or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

We have also set up a parent/carers login so that you can use Unifrog as if you were a student yourself, allowing you to truly support your child. The form code you need is 'PCMParents' and you can sign up here: [www.unifrog.org/code](http://www.unifrog.org/code)

For more information, go to [www.unifrog.org](http://www.unifrog.org) or contact the Penryn College Careers team on 01326 372379, ext. 1268/1259, or [careers@penryn-college.cornwall.sch.uk](mailto:careers@penryn-college.cornwall.sch.uk)

Yours faithfully

Kim Snowdon
