APPRENTICESHIP VACANCIES AS OF 6TH JUNE 2023
APPRENTICESHIP VACANCIES AVAILABLE TO ALL AGE APPLICANTS, FROM AGE 16

Environmental Practitioner Degree Apprenticeship

We help people and wildlife adapt to climate change, work to reduce impacts of flooding, drought, rising sea levels and coastal erosion. We improve the quality of water, land and air by addressing pollution, working with businesses to help them comply with environmental regulations. If you've a passion for the environment, this Environmental Practitioner Degree Apprenticeship will develop skills and capabilities and equip you with experience/opportunities to make a real difference. This is a fantastic opportunity for a person looking to build a career in protecting and improving the environment. The role requires working outdoors and in a variety of indoor office settings. The study aspect of the apprenticeship is block release with a mix of online/block weeks and field trips with the training provider. You must be willing to travel for study, and work from home to complete parts of this apprenticeship. You will be someone with a genuine interest in science and the environment and be passionate about creating a better place for people and wildlife. You will be flexible in your approach and have determination to make positive change happen. GCSE Maths and English grade C/4 or Functional Skills Level 2 (can study Functional Skills on the programme). Have achieved (or expected to achieve) 112 UCAS tariff points at A-level Grades BBC (excludes General Studies) or the equivalent Level 3 qualifications, e.g. BTEC Extended Diploma.

Welfare Rights Apprentice – homebased working

Are you looking for a rewarding career in the charity sector that makes a positive financial impact for people living with cancer? Would you like to learn and develop skills in welfare policy, supporting benefit claims, and challenging social injustice? Do you have compassion, determination, and resilience which will come into its own while completing a customer service qualification alongside your role? If so, this could be the role for you! As a part of the team, you will be responsible for helping us support more people affected by the financial impact of cancer. This includes providing information around benefits entitlement or supporting people through each stage of the claim process. This is often at a time where people are under increased stress and may not be aware of the support available or have the energy to engage with it, making our role even more vital as we provide support when they need it most. As this is a home-based role you will need a reliable broadband connection with upload and download speeds of at least 3mbps and be able to comply with strict data protection rules you must have a private confidential space to work from. We will provide all IT equipment needed for the role.

Location: Homebased, remote working
Closing Date: 04/06/2023
Employer Name: Macmillan Cancer Support
Wage: £20,500/year
Start Date: 04/09/2023

[Apply](#)**Apprentice, Marine Terminal Operator**

A new and exciting opportunity has arisen for two Apprentice Terminal Operators to join our teams, one in Liverpool and one in Falmouth, Cornwall.

The successful candidates will be enrolled in an established, two-year Bulk Fuel Operations Apprenticeship programme. The Bulk Fuel Operations Apprenticeship Program has been designed to develop your expertise across operational and technical areas of the business. Your plant-based training program is supported by a nationally recognised apprentice standard (Level 3 Diploma Qualification for a Bulk Storage Operator Technician). The first year (approximately 30 weeks) will be based at the Reynolds Training Facility. The first year will be structured around a term time framework with the successful candidate requiring attending the Reynolds Training Facility in Stallingborough over a number of weeks. The second year is primarily based at the Liverpool and Falmouth sites under a mentorship programme with the successful candidate spending allocated weeks during each month back at the Reynolds Training Facility in Stallingborough. We are looking for candidates who are hardworking, reliable, trustworthy, and keen to learn and develop themselves within the Bulk Liquid Storage Industry. You need to be able to demonstrate good communication and problem-solving skills and that you can work as part of a team.

Early Years Apprentice Full or Part Time

We are looking for someone to offer the following...

- * You must have a warm smiling face that makes every child feel special.
- * You must be able to laugh at jokes you don't understand, or you don't find funny!
- * You will preferably have a little bit of quirkiness. If a child requests that you be a captain of a pirate ship, you will be the best pirate captain you can be!
- * You must feel comfortable telling everybody in the same room as you, that you are going to the toilet!
- * The ability to sing in tune is not necessary, however the ability to sing out of tune in front of a crowd is essential.
- * You must be able to distribute warm hugs as required.
- * Possessing the skills required to rapidly count the heads of numerous moving small people is of the utmost importance.
