Penryn College

Dear Parents/Guardians/Carers and Pupils

Re: Post 16 Options Evening

I would like to extend a warm invitation to parents/guardians/carers and Year 11 pupils to join us at the College on **Thursday 12 October from 5-8pm** to find out more about our fantastic study opportunities.

This event will enable you to explore the wide range of post-16 programmes of study on offer at Truro College. We have a wide variety of pathways that are open to you at this stage, and this is a chance to consider what might be right for you after your GCSEs / KS4 studies. Options include learning about A Levels, T Levels, International Baccalaureate (IB), Technical & Vocational programmes and Apprenticeships.

Some of our buildings will be open on the evening and will host an express Information, Advice & Guidance service, A Levels, IB & Apprenticeships. We will showcase our technical provision and highlight our T Level and Vocational offer. You will also be able to see the large number of enrichment opportunities available to add to your main programme of study.

This evening will allow you to meet senior staff and specialist tutors from the College. There will be a post-16 talk by a member of our Senior Management Team and you can book a place here: [Truro College Post 16 Options Evening 2023 \(Thurs 12 Oct\)](#). There will be an opportunity for you to ask general questions about the College and to ask more specific questions about the courses on offer.

Please note that if you wish to tour the whole campus, we recommend coming along to one of our Open Days held in November or March, as you can view the campus at your leisure in daylight hours.

Open Days (whole campus open for viewing):
Saturday 11 November 2023 - 10am – 3pm – Open Day
Saturday 2 March 2024 – 10am – 1pm – Open Day

Our other open events:

Thursday 11 January 2024 – 5 – 8pm – Open Evening
Thursday 18 January 2024 – 7pm – IB Information Evening
Thursday 2 May 2024 – 5 – 8pm – Open Evening

Our new STEM & Health Skills Centre at Bodmin is also open for digital, engineering, nursing and health courses and their open event is on 18 November 2023 and more details can be found here. [STEM & Health Skills Centre Bodmin Open Day - Truro & Penwith College \(truro-penwith.ac.uk\)](#)

Applications open from 6 October 2023. Apply online at www.truro-penwith.ac.uk. In order to secure an early interview for your chosen course, we recommend you apply as soon as possible.

We look forward to seeing you.

Best wishes

Lisa Briscoe
Director of Student Experience
