"Achieving through Challenge"

September 2023

Dear Parent/Carer(s)

I hope that you all had a lovely summer break. It has been wonderful to welcome the students into school to start the new school year.

We would like to give Year 7 and Year 8 parents/carers the opportunity to have a look around the school with your children so you can see the environment your child will be studying in. We will have two afternoons for you to choose from. This is informal and not compulsory, so no booking is required. We simply ask that you arrange to meet your child in the Amphitheatre on either of the following dates:

Tuesday 3rd October from 3.30pm - 4.15pm

or

Wednesday 4th October from 3.30-4.15pm

Your child can then take you on a tour of the school and show you where they are based for tutor and their lessons, and where their designated break and lunchtime spaces are.

Please note that if your child has a club on the day, you can meet them at 4.45pm after their club has finished and have a tour afterwards. The school will be open to visitors until 5.30pm. Please note that this is not a Parents' Evening, as these are scheduled later in the school year as Subject Reviews. I am sure though that you will have the opportunity to say hello to many of the teachers at this time, as they will be working in their classrooms. Members of the Senior Leadership Team and the Special Educational Needs team will be available in the Amphitheatre if you have any questions or concerns you wish to raise. In the event of bad weather, you will be met at the Amphitheatre and directed to Kernewek Hall to meet with your child.

We look forward to meeting any interested parents/carers.

Yours faithfully

Mrs Beth Laing
