"Achieving through Challenge"

November 2023

Dear Parent/Carer(s)

We would like to invite you and your child to our Year 9 Careers Fair on **Tuesday 28<sup>th</sup> November from 5:00pm-7:00pm.**

This exciting event is one of our favourite evenings during our school year. The Careers Fair is designed to give students and parents/carers an opportunity to speak to a wide range of people from local businesses and organisations. We are lucky enough to have some really supportive businesses in our community, who can open students' eyes to the huge range of career options available here on our doorstep and inspire them to start thinking about their future career paths. So far, we have the following organisations signed up to attend:

A & P Shipyard Allen & Heath Borneo Nature Foundation Continuum Care Cornish Seal Sanctuary Cornwall RLFC Elemental UK Falmouth University GEL Geothermal Engineering Ltd Heather and Lay Estate Agents Kehelland College Kimberley's Independent Estate Agents NHS NHS Pendennis Shipyard	Radix Communications Royal Air Force Tavistock Investments PLC Financial The Rock Pool Project Touchbyte Truro College Upper Deck Falmouth Cornwall Heritage Trust Jason Thomas Dance School Historic Environment Record
--	---

Students will be preparing for this event during their extended tutor sessions, by researching the businesses that have signed up and preparing questions to ask them on the evening. Pupils will be given a map of the school which will show where each business will be located.

We are so fortunate in having many diverse, world-class industries and businesses here in Cornwall, and we are always looking for new businesses and individuals who would like to become involved in our careers events. **If you would like to get involved in this year's or future events, please contact me at [careers@penryn-college.cornwall.sch.uk](mailto:careers@penryn-college.cornwall.sch.uk)**

The Careers Team and local businesses look forward to meeting you!

Yours faithfully

**Laura Salmon**
