"Achieving through Challenge"

February 2024

Dear Parent/Carer(s)

This term, your child will be provided with a Science revision guide to support their learning between now and the end of Year 11. This will be free in the first instance, and will be returned to us at the end of Year 11 in useable condition (no graffiti, highlighting, rips or tears) so that it can be used by future students.

If the revision guide is lost or is not returned in useable condition, then the price of the guide will be deducted from ParentPay at the end of Year 11.

Alternatively, should you wish for your child to write in their copy, revision guides are available to purchase via ParentPay for the prices detailed below.

Subject Cost

AQA GCSE Combined Science: Trilogy - £6.00

AQA GCSE Biology - £3.15

AQA GCSE Chemistry - £3.15

AQA GCSE Physics - £3.15

Thank you for your support, and please do not hesitate to contact me should you have any questions.

Yours sincerely

Clare Stamper
Head of Science
Penryn College

Headteacher: Tamsin Schouten
