Apprentice Electrician

During this four-year apprenticeship you'll train to become a qualified electrician, with a focus on gaining the skills needed to wire new homes. You'll spend the majority of your time working on new housing sites in the local area. Whilst we always try our best to minimise travel distances and times, you could be expected to work on a site anywhere within a one-hour radius of the branch. One day a week will be dedicated to completing off-the-job training delivered through a mixture of remote learning (that you'll access from home) and practical training at one of our training centres. For the days you spend on site, you will work as part of a small team, wiring new homes from start to finish. Your team will include an experienced electrician and perhaps a second or third-year apprentice, who will help you build your skills over time so that you can complete a full electrical install and test for a wide range of new house types. Candidates must be 18 or above. A full UK driving licence is required.

Location: Newquay

Closing Date: n/a

Mechanical Electrical Apprenticeship

When stuff stops working, do you like trying to fix it? Then you're the kind of person who could thrive on a First Bus Mechanical and Electrical Engineering Apprenticeship. You don't need any previous knowledge of engines, mechanics, electronics or digital technology. If you are good at hands-on, practical problem-solving, we can help support and teach you to become a qualified engineer. This is your launchpad to a future-proof career in new automotive technologies.

On the Mechanical/Electrical Apprenticeship you will learn how to keep our buses safely on the road. We will teach you key skills in maintenance, fault diagnosis, bodywork and interiors repairs. This is a great opportunity to work on sustainable fuel technologies such as hydrogen, fully electric and hybrid vehicles. There is no age limit on our programmes - we welcome everyone from 16+. This can be your first job out of school or college, or it can be your chance to retrain and develop new skills.
