Dear Parent/Carer(s)

In order to support your child with their GCSE History course, we would like to offer the opportunity to purchase the recommended revision guides for our exam board at a discounted price.

We are pleased to inform you that we have been able to purchase the Edexcel revision guide and workbook for each of the four exam topics direct from the publisher at the cost price of £2.99 per guide, instead of the RRP of £6.25.

We would encourage the purchase of a revision guide for each of our four topics (Edexcel: Medicine through time c1250-present; Weimar and Nazi Germany, 1918-1939; The American West, c1835-c1895 and Early Elizabethan England) as the books will be used for classwork, homework and revision. Students can highlight key information in them, make notes, and answer the practice questions at the back. Feedback from previous students has been good and they have found them really useful.

These guides are available to purchase through ParentPay. If your child is Pupil Premium, we will use the Pupil Premium funding to buy the books for them and you do not need to do anything.

If you have any queries, please feel free to contact me at school.

Yours faithfully
