Mrs Croxall's Message

Good afternoon,

We have really settled back into the routine at school now, and our year 7s feel like they have been with us forever, it is always the greatest pleasure watching our newest arrivals grow in confidence, and our wonderful older students show them kindness and model our Penryn values.

A big focus for us this year is reading. Students from years 7 to year 10 started their new reading programmes in period 4, and I for one loved reading Skellig on Tuesday with year 7, please do talk to your child about their book, we will share more with you about this over the next few weeks.

I have also enjoyed seeing our Key Stage 4 classes in their extended tutor sessions where they have been learning about how to learn and maximise on revision. They are learning key strategies which will stand them in good stead for exams.

Another focus for us this year is improving our communications. We had such useful feedback from our Parents Forum and through Headteachers Clinics last year which we are going to implement. Please see more in this newsletter and keep feeding back

Have a great weekend, and I hope to see many of you at our Open Evening on Wednesday.

Mrs Croxall

Celebrations

Well done to our students who have made such a fantastic start to this academic year. We have seen a tremendous amount of Achievement Managers showing respect, using knowledge to explore and working with others.

We took over 200 year 11s to the Minack to watch Macbeth on Thursday, and they were commended for their behaviour by the staff - Well done Year 11s. Year 11 have also been out exploring the local area in their Geography Fieldwork.

We have seen a range of sports fixtures this week, as well as our clubs and activities programme!

Many students have been invited to represent the school in our Open Evening on Wednesday 17th September and have got their permission slips to pass onto parents/carers.

As always, please follow us on Facebook and Instagram to find out more
