Mrs Croxall's Message

Good afternoon

This week at Penryn College, we have focused on wellbeing and Miss Lushington delivered assemblies to all our students (see below for more detail). As a school, the wellbeing of our students and staff will always be our priority and we have increased our Educational Support Team this week as a continued measure of support. We give Mrs Bennett and Miss Thomas a warm welcome to our Penryn community. Mr Prynn has also been successful in his appointment of Inclusion Manager where he will be supporting students across years 7-11.

Our student leaders have been busy this week, attending leadership meetings with SLT in their areas of focus from sustainability to teaching and learning. Their feedback is invaluable and helping us to drive positive changes. Students have also fed back to trustees when they visited this week to look at behaviour and culture.

The weather continues to hamper our plans as we have had to postpone our Ten Tors trip this weekend. It is a tricky decision to make but unfortunately the conditions looked too dangerous to continue the expedition. We are however, venturing to Bournemouth tomorrow to participate in the U14 and U16 regional netball tournament. We wish them every success.

I hope you have a lovely weekend when it arrives,

Mrs Croxall

Personal Development (P4)

SMSC in Personal Development (P4) this week has been exploring Respect in Action following the Football Associations (FA) publication reviewing behaviour in football across England. Discussions in class then explored how we can show respect, including when playing sport and whether if respect isn't shown to you, is it important to show it back?

New reading books have been launched across Personal Development (P4) this week.

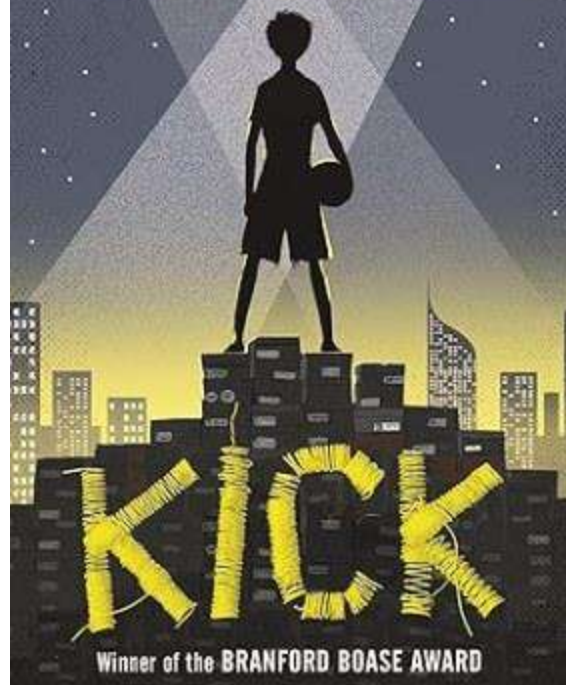

- Year 7 Kick by Mitch Johnson
- Year 8 Steady for This by Nathanael Lessore
- Year 9 The Dark Lady by Akala
- Year 10 Wild East by Ashley Hickson-Lovence.

We look forward to sharing more information with you in forthcoming weeks.

Parents Forum

Thank you to everyone who attended this week's parents forum on ClassCharts and communication; we gathered really useful feedback since our launch of ClassCharts for all parents back at the start of the Autumn Term. We reflected on recent Storm Goretti and how useful ClassCharts was for rapid announcements of information. Positives with ClassCharts seem to be around everything being in one place and useful for knowing more about homework. Interesting conversations about access to assessment information moving forward and how can ClassCharts help with more detail around behaviour including AMs, BMs and Rewards.

Some great feedback about the new clearer and shorter newsletter and some ideas for how the new website can help with signposting key information. We value everyone's feedback around the challenges of telephone and email contact. Overall, there was strong interest in improving transparency, responsiveness, and the tools to support both families and school staff.

Next Parents' Forum is on Tuesday 17th March.

The Diana Award

An Exciting Opportunity: Anti-Bullying Ambassador Training

Thank you to the students who have already signed up for this exciting opportunity with Mrs Roberts. We're offering students at Penryn College the chance to become Anti-Bullying Ambassadors through The Diana Award's training programme.

What is it? This training day will empower students to tackle bullying both online and offline. Students will learn practical skills through engaging activities and create an action plan for reducing bullying at our college. At the end of the day, they'll become certified Anti-Bullying Ambassadors. The programme uses The Diana Award's renowned peer-led approach, which means students will be equipped to support their fellow pupils in creating a kinder, safer school environment.

How to get involved

If your child is interested in becoming an Anti-Bullying Ambassador, please ask them to contact **Mrs Roberts** to express their interest. This is a fantastic opportunity for students to develop leadership skills and make a real difference in our school community.

Year 11 County Rugby Final

All Penryn College & Students are invited to Redruth Rugby club on Friday 6th February to support our year 11s in their County Rugby final. In previous years this has been an excellent social occasion to celebrate our students representing our school and community.
